

ACTIVITY TWO : MAKE TIME FOR JESUS

INSTRUCTIONS

In today's story, we read that Nicodemus planned to meet Jesus after dark in the evening.

When can you plan to talk with Jesus? Challenge : make a plan to talk with Jesus in prayer at the same time every day this week. Maybe set an alarm, pin up a reminder note where you can see it, or even have a parent help remind you.

If you really want to take it to the next level, have your parents help in getting the YouVersion Bible app on a phone or tablet. There is a special daily Kids devotional that you can watch, read, and interact with. Make a plan to do that devotional time each day this week at the same time. If you do the YouVersion Bible app Kids Devotional send us a screenshot to earn 3 tokens!
