

ACTIVITY TWO : TAKING OUT THE TRASH

INSTRUCTIONS

Like we learned in this weeks lesson, sometimes we give ourselves negative labels that are opposite to what God sees in us. To help us get rid of those, write down the negative labels you've put on yourself, then throw away that list.

On a new page, write down things that God says about you as His Masterpiece! Hang that new list somewhere you will see if often. **SHARE** a pic of your Masterpiece list.
